This cafe is run by Southend Christian Fellowship, whose home is here at the Plaza Centre.

We operate the cafe out of a desire to serve and bless the community in Southchurch. We do this by serving food, drinks and snacks to the general community at prices below the average in the area. It is our hope and policy that the cafe would be a non-profit making venture that would self finance its own operating costs. The majority of our staff are volunteers and some have additional needs. We want to create a warm and friendly environment where they can gain confidence and feel at home.
